# I am a XIMEian.

I learn by doing.

**Being Industry-Ready.**

**The XIME Way.**

At Xavier Institute of Management & Entrepreneurship (XIME), the learning is geared towards helping students bridge the Knowing-Doing gap and to empower them to be ready to hit the ground running right from Day One of their job.

This is brought to life by providing students at XIME access to high-quality learning resources from some of the best-known names in the world and tailoring the methodology towards immersive learning through their 2-year program.

**Bloomberg Finance Lab** gives students hands-on experience with Bloomberg Terminals, real-time global financial data, and global certifications. XIME is one among an exclusive group of top educational institutions in India to have this facility

**Analytics Lab** with access to Power BI, Tableau, Smart PLS and SPSS empowers students to turn data into strategic insights

**Harvard Business Impact's repository of global and Indian case studies** helps learners develop real-world decision-making, analytical, and communication skills by immersing them in authentic business challenges and diverse perspectives

**Information Platforms** like Tracxn, Statista, and CMIE deliver a decisive edge with actionable data, with enterprise subscribed access available to students

**Harvard Business Impact's Simulations** immerse students in realistic scenarios for hands-on, risk-free practice of complex decision-making and strategic skills

**Projects** are a big part of a XIMEian's immersive learning journey, be it live projects, market-based projects, social impact projects or internship programs. They allow the students to engage in a real-life case, in an organizational setting

No wonder, XIME students are industry-ready the moment they leave the campus.

## We Handhold & Mentor “You” to a Great Future

India's healthcare sector is experiencing a transformative shift, driven by digital innovation, rising demand, and a stronger focus on quality care. For over two decades, IIHMR Bangalore has been at the forefront of this change, preparing future-ready leaders in healthcare management and innovation.

As one of the country's leading institutions in healthcare management education, IIHMR Bangalore offers AICTE-approved PGDM program recognized as MBA equivalent by the Association of Indian Universities and accredited by the NBA and NAAC (A Grade). The institute also holds NABET-QCI accreditation as a consulting organization for NABH standards, reaffirming its credibility.

- **Scholarship for meritorious students**
- **Hostel Facility**
- **100% Placement Assistance**

Students can specialize in Hospital Management, Health Information Technology, Pharmaceutical Management, and Health Management. In 2024, IIHMR introduced India's first fulltime PGDM program in Artificial Intelligence and Data Science for Healthcare, equipping students with cutting-edge skills in AI, machine learning, and digital health.

Complementing its flagship programs, the institute also offers a Fellow Program in Management (FPM) and executive certificate courses such as Managing Digital and Connected Health and Prompt Engineering for Healthcare. Through strong partnerships in research, consultancy, and capacity building, the institute remains a driving force in healthcare transformation. Its mission is clear nurturing leaders who will deliver safe, effective, and sustainable healthcare solutions for India and beyond.

PLACED WITH

This journey has been nothing short of transformative. Alliance University has helped me grow more confident, resilient, and ready to take on the challenges of the corporate world. From self-doubt to self-belief — this is more than a job offer. It's a reflection of growth, grit, and gratitude. ”

**MS. SOUMYA REDDY**

MBA 2023-2024

PLACED WITH

Reflecting on my early days at Standard Chartered Bank, I cannot help but recall a project at Alliance University that genuinely transformed my perspective. Collaborating with a local start-up, we did more than analyse data; we rolled up our sleeves to address their real-world challenges. It was an experience that taught me to approach problems with creativity and innovation. ”
